

Activity Permission Form

Form must be used for each activity outside the normal meeting time and place, or for any activity that could be considered sensitive. The adult in charge of the activity must provide detailed information to the parents/guardians, as suggested on the *Activity Information Summary* form. Completed *Activity Permission Forms* must be kept on hand by the adult in charge during the activity, along with the current *Annual Permission Form*. All forms must be kept on file for 3 years.
