

Annual Open House

May 18th 2024

At the Evansville Radio Control Model
Airplane Club field on County Line Rd South

Open Flying of all types of R/C Aircraft

Saturday, May 18th - 9am - 3pm at Jack Charlier R/C Field

Come and find out what the R/C model airplane hobby is all about. The skill and pride the pilots have for their aircraft, Military, Acrobatic, Jets and many more other types of model aircraft. There will be trainer airplanes waiting for you to try your hand at flying. All are welcome.
