

Letterboxing with GSSI

What is Letterboxing?

Letterboxing is an intriguing pastime combining artistic ability with "treasure-hunts" in parks, forests, and cities around the world. Participants seek out hidden letterboxes by cracking codes and following clues. The prize: an image from a miniature piece of art known as a rubber stamp—usually a unique, hand-carved creation.

We have planted 8 letterboxes around the council area!

- 3 in Evansville
- 1 in Petersburg
- 2 in Newburgh
- 1 in Vincennes
- 1 in Princeton
- 1 in New Harmony
- 1 at the GSSI office

Also, you might run across a hitchhiker. A hitchhiker is a stamp that travels from letterbox to letterbox. If you find one, bring it with you and place in another letterbox you find. Let others know where you found it, but don't let anyone else know where you hid it.

We planted one, but we aren't telling you where 😊!

If you are in the first person to find the letterbox, you might earn a first finder's prize. A first finder's prize can be a sticker, a medal, or a little token. Keep those to show off to your letterboxing friends!

To find the letterboxes, you must have clues!

We put our clues at <https://www.atlasquest.com/>. This is the best-known letterboxing website to find letterboxes near you. Suggestion: make an account for yourself or your troop before beginning your letterboxing journey.
