

Girl Scout Naturalist Badge

One Way to Earn the Naturalist Badge as a Multi-Level Troop	What Daisies Do (Clover Petal)	What Brownies Do (Bugs Badge)	What Juniors Do (Flowers Badge)	What Cadettes Do (Trees Badge)	What Seniors Do (Sky Badge)	What Ambassadors Do (Water Badge)
Design your own tree house on paper. Include different bugs that might be in your tree house and what flowers you would like to plan in your house! How much water would your flowers need each day?	Enjoy "Clover's Story," then talk about it	Draw a bug poster	Uncover the science of one flower	Try some tree fun	Watch the skies	Have fun reflecting on your relationship with water
Take a walk through your neighborhood and identify at least five types of tree, flowers, and bugs! Then, make a paper plate spider, decorate a paper plate with markers or paint to look like the body of a spider. Draw eyes and use pipe cleaners (cut in half) to make eight legs. Bend the pipe cleaners to make the spider stand.	Make a collage using old magazines or postcards	Try a bug craft	Look under the petals	Dig into the amazing science of trees	Investigate the science of skies	Celebrate water art and create your own
Go outside and find three different bugs in your area that like flowers. Identify the bug and try to find out what they are doing and why! Next, find how what a rain barrel is and how it works to preserve water.	Practice being resourceful	See bugs in action	Find out how flowers help people	Make a creative project starring trees	Explore the connection between people and flight	Find out about water issues

Girl Scout Naturalist Badge

<p>Finally, look up into the sky, do you see any planes? Find out how much water aircrafts carry?</p>						
<p>Design your own rain barrel system and find out how bugs, flowers, and trees can benefit from a rain barrel!</p>		<p>Explore bug homes</p>	<p>Have fun with flowers</p>	<p>Explore the connection between people and trees</p>	<p>Help clear sky pollution</p>	<p>Explore water solutions</p>
<p>Take a trip to your local state park or nature center! Create a painting of the sky and write ways that you can help the environment on your drawing!</p>		<p>Take a bug field trip</p>	<p>Send a message in flower code</p>	<p>Help trees thrive</p>	<p>Create sky art</p>	<p>Educate and inspire</p>
