Make salt dough impressions using 3 cups flour, 1 cup salt, 1 cup water, food coloring (optional) and parchment paper. Gather items from outside to make an impression on the dough, then using a straw, make a hole at the top of the dough so it looks like an ornament you can hang. Bake the dough at 275 degrees on parchment paper for 2 hours!	Hear the sounds of nature	Make something	Make something	Make something	Make something	Make something
Make a rain stick using items around the house or make rainy day music by recreating the sounds of a thunderstorm.	Share your outdoor art	Dance or make music outdoors	Find music in nature	Get to know and create sounds of nature	Create or share music inspired by nature	Find music in nature
