

Experience World Thinking Day

What's global in your community?

Tri State Gujarati Samaj

Their mission statement is to unite the Gujarati community and others in the Tri-State region, celebrating, preserving, and promoting our rich culture, traditions, and heritage. They strive to connect the Gujarati community through a variety of community events and to offer resources related to language, food, music, and much more.

Evansville Germania Maennerchor

Germania Männerchor was established to sponsor and promote German song, speech, music, dramatic arts, and social and fraternal association of its members.

HOLA

HOLA's mission is to enhance cultural diversity and promote the success of Latinos in the areas of professional development and education. Our long-term goal is to ensure Latino representation in leadership, workforce, and economic prosperity.

These organizations host a variety of different events throughout the year. With a Grownup, look over their website. Learn about the community they serve and plan an event you would like to attend.
